NO CLAUSES OR PROVISIONS IN THIS SECTION

**NOTICE:** The following contract clauses pertinent to this section are hereby incorporated in full text:

**OTHER CONTRACT CLAUSES IN FULL TEXT**

**AEDC-H001 SAFETY (MAR 2004)**

The Contractor will obtain AEDC/SE coordination to assure adequate safety coverage. The Contractor shall take or cause to be taken such additional measures as the Contracting Officer may determine to be reasonably necessary for the protection of life and health of employees and other persons and for prevention of damage to property, materials, supplies, and equipment. The Contractor shall comply with safety rules (tags and work clearances) of the AEDC Support Contractor at interface points of new construction and modifications to existing systems and with AEDC Base Safety Standards.

**AEDC-H002 TECHNICAL SURVEILLANCE (MAR 2004)**

The Government designates the Air Force Project Engineer and the AEDC Test Contractor and/or the AEDC Support Contractor to perform technical surveillance. They will recommend to the Contracting Officer acceptance or rejection of work under this contract. All references to the "Government representative " within the specification or other project documents shall mean the Air Force Project engineer or the AEDC Test or Support contractor personnel performing technical surveillance on behalf of the Government. As used in the specification or other project documents, the term "construction monitor" shall be understood as referring to the AEDC Test Contractor or Support Contractor personnel performing technical surveillance on behalf of the Government.

**AEDC-H003 SANITATION (MAR 2004)**

The Contractor shall provide toilet facilities in a ratio of not fewer than one for each 30 persons or fraction thereof. Connections to existing sanitary sewer manholes may be made. The Contractor shall supply drinking water from connections to the existing potable water system. The Contractor shall take proper precautions to protect the water system from damage and contamination. Any temporary connections made for drinking water or toilet facilities shall be removed by the Contractor in a manner satisfactory to the Contracting Officer before final acceptance of the work.

**AEDC-H004 EXISTING UNDERGROUND UTILITIES (MAR 2004)**

The location of existing underground utilities as shown on the contract drawings has been taken from as built drawings. There may be underground utilities which are not shown on the contract drawings and these utilities may be dangerous if ruptured. If the Contractor unearths or strikes any underground utility not shown, the excavation work shall cease and the Contracting Officer shall be notified immediately. The Contractor shall determine with caution the exact location of such utilities and will not proceed with further excavation unless otherwise advised by the Contracting Officer.

**AEDC-H005 PROGRESS SCHEDULE (MAR 2004)**

- (a) In accordance with FAR Clause 52.236-15, which is incorporated by reference in the Contract Clauses section of this solicitation, the Contractor shall submit three copies of a progress schedule (Air Force Form 3064) for review and approval by the Contracting Officer no later than five days after beginning work on the project site. The Contractor shall comply with the procedures for completing the form on the reverse of the Air Force Form 3064.
- (b) When requesting payment for materials stored on site, the Contractor shall include stored materials as a separate work element on the progress schedule and submit paid invoices to support the request for payment.

#### **AEDC-H006 UTILITIES AVAILABLE (MAR 2004)**

(a) Water: All reasonable required amounts of potable and raw water will be made available without cost to the Contractor from existing systems, outlets, and supplies near the vicinity of the work. All water shall be carefully conserved. All temporary connections and piping installed by the Contractor shall be removed in a manner satisfactory to the Contracting Officer prior to final acceptance of the work.

(b) Electricity: All reasonably required amounts of 60 HZ electric power at 110V and 480V will be made available without cost to the Contractor from existing electrical systems near the vicinity of the of the work. The Contractor shall install and maintain at no cost to the Government any necessary supply connections and facilities in a manner satisfactory to the Contracting Officer. All electrical service shall be removed in a manner satisfactory to the Contracting Officer.

#### **AEDC-H007 DISPOSAL AREAS (MAR 2004)**

An approved disposal area is located about 3 miles from the construction site. This area is approved for surplus earth, stone, broken concrete, and building materials waste. Building materials waste also includes containers, dunnage, and other related items.

#### **AEDC-H008 REQUIRED INSURANCE (MAR 2004)**

Pursuant to FAR clause 52.228-5, Insurance - Work on a Government Installation (JAN 1997) (Deviation) the contractor shall maintain the following minimum amounts of insurance:

TYPE	AMOUNT
Workers' Compensation & Employer's Liability Insurance	\$100,000
General Liability Insurance (Bodily Injury)	\$500,000 per occurrence
Automobile Liability	\$200,000 per person \$500,000 per occurrence for bodily injury \$20,000 per occurrence for property damage

#### **AEDC-H009 SECURITY RULES AND REGULATIONS (MAR 2004)**

##### **AEDC UNCLASSIFIED CONTRACT SECURITY CLAUSE**

**CONTRACTOR SECURITY REQUIREMENTS.** The contractor shall comply with all security regulations and directives as identified herein and other security requirements shown elsewhere in this contract. These requirements apply to all contractors working on Arnold AFB that DO NOT have access to classified information in the performance of their contract.

AEDC is a closed military installation, therefore certain requirements must be met, i.e., every person who enters the fenced mission area must possess an identification badge and vehicle registration.

1. The contractor shall provide an updated GC Form 698 listing each employee that will require access to Pass and Registration prior to contract start. To add an employee at any time the Contractor shall notify the Pass Registration Section

2. **BADGES:** Badges and passes are issued at Pass and Registration located adjacent to the main gate. Your contract monitor should provide a list of employees to that office promptly after the contract is awarded so that badges can be prepared in advance of your visit. The badges are government property and must be retrieved and turned in upon completion of the contract. These badges must be presented at the gate for entry and displayed on an outer garment above the waist while within the fenced area. **NOTE:** If displaying the badge on the outer garment in

the immediate work area will create a safety hazard, then the badges can be removed and placed in the pocket of the individual. Upon departure of the immediate area, the badge will be displayed.

NOTE: Returning ID badges (if applicable) and Passes. Upon contract completion (to include employment termination), and before final payment can be made, the contractor shall ensure all ID badges (if applicable) have been turned in to the issuer and vehicle passes have been returned to Pass and Registration. Contractor employees terminating employment for any reason shall return all ID badges (if applicable) and vehicle passes prior to departing the base.

3. CITIZENSHIP: All employees performing on this contract must be US citizen or Registered Alien. The AEDC host shall require that all Registered Aliens have in their possession their Permanent Resident Cards. If Registered Aliens failed to produce the proper INS credentials, they will be denied access to AEDC. You will be held responsible for complying with federal statutes, which prohibit the hiring of illegal aliens and foreign nationals who are not authorized to work in the United States. Non-US citizens must present their resident alien cards to Pass and Registration to show proof that they have been legally admitted to the United States. Failure to show proof will result in entry being denied.

Employment of Foreign Nationals by Contractors at Arnold Air Force Base : The use of Foreign Nationals in the performance of contracts on AEDC will require prior notification to the Contracting Officer. In accordance with U.S. Immigration and Naturalization Service Directive 210, all foreign nationals performing on contract in support of any Federal Government activity will provide to that activity, identification and authorization for the performance of work within the U.S., for each individual. Information shall consist of the following:

- Name
- Nationality
- Place of birth
- Date of birth
- Social Security Number
- State driver license number (if assigned)
- Passport/Visa/Alien Registration Number(s)

A foreign national is defined as any individual that is not a U.S. Citizen, regardless of any status or documentation promulgating the intent to become a U.S. Citizen. Any overt or negligent act in the lack of prior reporting of any employee deemed to be a non-U.S. Citizen shall be determined to be a violation of contract. The violation shall be formally reported to all government activities or agencies deemed necessary.

4. VEHICLE REGISTRATION: If a personal vehicle will be used on the base: Valid state driver's license, ID card (if applicable), proof of ownership (title, state registration, bill of sale or lease agreement) and proof of insurance are required. Contractor employees shall report to the Pass and Registration Section within forty-eight hours of employment for vehicle registration. Vehicle registration of contractor employees will be accomplished by issuing them a DD Form 2220 (Decal), AF Form 2219 (Expiration Tab) and a base designation tab (White with Black Lettering) if applicable or Temporary Vehicle Pass for the duration of the contract. The employee shall be responsible for maintaining insurance that meets or exceeds the minimum requirements of state law.

5. TRAFFIC LAWS: The contractor and its employees shall comply with base traffic regulations and installation entry/exit security measures.

6. PRIVATE CAMERAS: Use of private cameras inside the mission area is prohibited except by special permission. If you need photographs of your job site, you must contact your contract monitor, who will either get support from the base photo lab or obtain a special camera pass.

Use of cameras is prohibited where posted.

7. CELLULAR PHONE: Cellular Telephones (private and government owned) are authorized for use at all locations on Arnold AFB with the following exceptions:

- a. Cannot use a CT while driving a private or government vehicle, except in a "hands free" mode. Passengers in a vehicle may use CT.
  - b. At facilities and/or areas where Facility Managers or Safety Office has posted a policy prohibiting their use.
8. VISITORS: To expedite entry into the mission area, during normal duty hours, call the pass and registration office at EXT. #5453, during non-duty hours call the Security Forces desk lead at Ext. #5662.
9. LABOR PROTESTS: If your company becomes a target of a labor protest while you are working on the installation, you will be assigned a gate to enter and exit the mission area, other than the main gate. All your employees will be directed to utilize this gate/strike gate.
10. ROOFTOP ACCESS: You and your contract monitor are reminded that you must have permission from the building manager before you can access the roof of any building.
11. FIREARMS: Are prohibited within the fenced mission area.
12. SECURITY OF PRIVATE PROPERTY & VEHICLES INSPECTIONS: Secure your private property. Be prepared for vehicle inspections as you enter or exit the fence mission area.
13. SPONSORING VISITORS: Contractors that sponsor another contractor's visit shall receive an endorsement from the prime contractor or DoD Representative and comply with specified requirements.

#### ESCORT REQUIREMENTS FOR FOREIGN NATIONALS PERFORMING ON CONSTRUCTION PROJECTS

The following rules apply to your responsibilities associated with escorting and monitoring your workers who are foreign nationals:

1. All foreign national employees must have permission of the government prior to working on any contract.
2. Non-US citizens will be issued a purple badge with the citizen's name and citizenship on the badge. The badge MUST be worn at all times within the fence mission area.
3. You must appoint an escort who is a US citizen to escort non-US Citizens, Continuous monitoring is required, to include rest breaks, lunch, etc.
4. You must insure that access is limited to only authorized work areas. The only EXCEPTION is the main cafeteria.
5. The escort must retrieve the non-citizen's badge and vehicle pass, at the end of each work shift and hold it until the next day. Non-US citizens are not permitted to retain possession of their badges and vehicle passes overnight.
6. The non-citizen will not be allowed to enter or exit the fenced mission area without an escort. A representative of your company who is a US citizen must accompany the non-citizen at all times.
7. The non-citizen's badges and vehicle pass will be retrieved at the end of the project and returned to Pass and Registration.
8. The contract monitor is responsible for notifying Facility Managers and custodians any time non-citizens are working within buildings.

All foreign national employees will process through the Pass and Registration Center upon arrival to AEDC on a daily basis for obtaining the appropriate badge.

Contractor employees who require access into government computer systems shall comply with the investigative requirement in accordance with AFI 31-501/AEDC Supplements, which consist of a favorably completed National Agency Check (NAC). To obtain access to government computer systems it is necessary to obtain favorable results from a National Agency Check (NAC) Investigation.

Contracting Officer of the host installation must identify the need and justify to the installation commander, through the local Servicing Security Activity, requests for NAC's on contractor employees requiring access to government computer systems. The installation commander or his designee, Designated Approval Authority, approves all denials or withdrawals of access for contractor employees.

#### National Agency Check Investigation:

The Personnel Security section, AEDC/SDS, will process and forward requests for Contractor NACs. AEDC/SDS will be the repository for the record of NACs conducted on Contractor employees for access to the installation or computer systems on Arnold AFB.

Each Contractor employee requiring a NAC shall submit to AEDC/SDS the original of a completed SF85P, Questionnaire for Public Trust Positions, accomplished on the Electronic Personnel Security Questionnaire (EPSQ), and one 3.5 diskette containing the EPSQ file. Security Forces Pass and Registration personnel will fingerprint the Contractor employee on a DD Form 258, Fingerprint Card. To obtain an EPSQ, visit the Defense Security Service web site at <http://www.dss.mil> and download the User Edition or contact AEDC/SDS or contracting office for assistance.

Upon completion of the subsequent investigation suitability of employment review, the Contracting Officer will notify the Contractor of employees receiving a favorable/unfavorable NAC by forwarding a copy of the Record of Employment Suitability Form to the Contractor. The Contractor's employee(s) will not be allowed access to government computer systems when the current NAC is unfavorable.

When the Government is in the process of conducting a NAC investigation on a Contractor employee and that individual's employment is terminated before the investigation is completed, the Contractor shall immediately forward to AEDC/SDS written notice of the termination.

OPSEC Requirements: The contractor will comply with the AEDC OPSEC Program and will protect critical or sensitive unclassified operational information per AFI 10-1101, Operations Security and the AEDC OPSEC policies and procedures. AEDC/SDS, ext. 3424 or 7610 is the OPSEC point of contact.

Freedom of Information Act Program (FOIA): The contractor shall comply with DoD Regulation 5400.7/Air Force Supplement, DoD Freedom of Information Act Program, requirements. The regulation sets policy and procedures for the disclosure of records to the public and for marking, handling, transmitting, and safeguarding For Official Use Only (FOUO) material.

Reporting Requirements: The contractor shall comply with AFI 71-101, Volume- 1, Criminal Investigations, Volume-2, Protective Service Matters, DoD 5200.1-R, and AFI 31-401 requirements. Contractor personnel shall report to an appropriate authority, any information or circumstances of which they are aware may pose a threat to the security of DoD personnel, contractor personnel, resources, and classified or unclassified defense information.

Physical Security: Areas controlled by contractor employees shall comply with base Operations Plans/instructions for Force Protection Conditions (FPCONS) procedures, Random Antiterrorism Measures (RAMS) and local search/identification requirements. The contractor shall safeguard all government property, including controlled forms, provided for contractor use. At the close of each work period, government training equipment, ground aerospace vehicles, facilities, support equipment, and other valuable materials shall be secured.

Security Reviews: The contractor will be subject to security program reviews and/or self-inspections in conjunction with the Air Force activity assigned.

Contract Clauses in this section are from the FAR, Defense FAR Sup, Air Force FAR Sup, and the Air Force Materiel Command FAR Sup, and are current through the following updates:

Description of investigational methods used: 'surveys and soil borings'

Summary of weather records and warnings '

(1) The location of the work is subject to atmospheric temperature ranging from minus 10 degrees F to plus 105 degrees F. The average annual rainfall is about 54 inches and the average annual snowfall is about 4 inches.

(2) Time Extensions for Unusually Severe Weather

a. Based on data from the National Oceanic and Atmospheric Agency (NOAA), the following number of adverse weather days can be anticipated at Arnold AFB, TN in the month indicated.

JAN	16	MAY	8	SEP	7
FEB	13	JUN	6	OCT	5
MAR	9	JUL	8	NOV	7
APR	7	AUG	5	DEC	13

b. From receipt of Notice to Proceed throughout the contract performance period, the Government Project Officer will record daily the actual number of adverse weather days which prevent work for at least 50 percent of the contractor's workday.

c. Only after the cumulative number of "adverse weather days" as defined in b., above, has reached the total calculated from the monthly figures listed in a., above, or the proportionate number for partial calendar months in the performance period, will the Contracting Officer consider a time extension in accordance with the clause entitled "Default (Fixed-Price Construction)." A time extension will be granted on a day-for-day basis if the Contracting Officer determines that additional adverse weather days prevent work for at least 50 percent of the contractor's workday and delay work critical to the timely completion of the contract.

d. The contractor's schedule must reflect the delays associated with the anticipated adverse weather days listed in a., above. The Contracting Officer will grant no time extensions for adverse weather days within the cumulative total of the monthly numbers listed.'

Summary of transportation facilities providing access from the site '  
Transportation Facilities to AEDC Fenced Area

(1) Highways. U.S. Highway 41A is a paved road passing through Tullahoma, Tennessee. U.S. Highway 41 and Interstate 24 are paved roads passing through Manchester, Tennessee. State Highway 55 is a paved road connecting U.S. Highway 41 and 41A at Manchester and Tullahoma, respectively.

Access to the AEDC area can be gained from State Highway 55 near Tullahoma via new paved highway intersecting U.S. Highway 41, 5.5 miles southwest of Manchester and 3.8 miles from the area entrance, and Interstate 24, 3.5 miles southeast of Manchester and 2.5 miles from the area entrance. Concrete pavements have been constructed within the AEDC area and may be used subject to the restrictions set forth herein. Access to the sites of work from the paved areas and other routes shall be provided and maintained by and at the expense of the Contractor. The route for equipment which is not permitted to operate on the concrete pavement shall be as approved by the Contracting Officer. No construction truck or trailer vehicles shall be operated upon pavements of the AEDC area except within the following load limitations.

(d) Travel Within the AEDC Area

(1) Streets and Roadways. Streets have been constructed within the AEDC area and may only be used subject to the restrictions set forth herein.

a. A "Special Permit" is required for the movement of all construction equipment, unless hereinafter provided otherwise, which is to be moved over streets or over areas containing underground ducting, piping, or overhead utilities. Application for the Special permit to move heavy equipment will be submitted to the Contracting Officer. Application for such movements will be made sufficiently in advance of the time needed to avoid delays in movement. Only wheel or tire vehicles which fall under the following maximum allowable load limitations may operate without permit upon AEDC streets:

#### DESIGN AXLE AND WHEEL LOADS ON STREETS

3rd Street between C and E	24,000	12,000	33,600	16,000

\*Axles must be spaced greater than 40" apart.

\*\*Equipment with tires wider than 16", such as large earth moving equipment.

These restrictions permit the operation of fully loaded DW-10's with No. 10 scrapers only on pavements with a maximum allowable load of 33,600 pounds. The axle load for large tire equipment shall be based upon the manufacturer's specified weights for fully loaded equipment.

b. If any equipment exceeds the above load limitations, or any track vehicles are used, the pavement must be protected with earth or fiber at the expense of the Contractor. Compliance with the above requirements does not preclude the Contractor's liability for any damage which results from his travel over AEDC streets.

(2) Other Routes. Routes for use of equipment which is not permitted on AEDC streets shall be as shown on the drawings, or as approved by the Contracting Officer. Access to the sites of work from the paved areas, and other routes, shall be provided and maintained by and at the expense of the Contractor.

(3) Traffic Regulations. The Contractor shall be cognizant of and comply with all AEDC traffic regulations as published and enforced on the AEDC Installation.'

(2) The small business size standard is \$12,000,000.00.

(3) The small business size standard for a concern which submits an offer in its own name, other than on a construction or service contract, but which proposes to furnish a product which it did not itself manufacture, is 500 employees.

(b) Representations.

(1) The offeror represents as part of its offer that it ☐ is, ☐ is not a small business concern.

(2) (Complete only if the offeror represented itself as a small business concern in paragraph (b)(1) of this provision.) The offeror represents, for general statistical purposes, that it ☐ is, ☐ is not, a small disadvantaged business concern as defined in 13 CFR 124.1002.

(3) (Complete only if the offeror represented itself as a small business concern in paragraph (b)(1) of this provision.) The offeror represents as part of its offer that it ☐ is, ☐ is not a women-owned small business concern.

(4) (Complete only if the offeror represented itself as a small business concern in paragraph (b)(1) of this provision.) The offeror represents as part of its offer that it ☐ is, ☐ is not a veteran-owned small business concern.

(5) (Complete only if the offeror represented itself as a veteran-owned small business concern in paragraph (b)(4) of this provision.) The offeror represents as part of its offer that it [ ] is, [ ] is not a service-disabled veteran-owned small business concern.

(6) (Complete only if the offeror represented itself as a small business concern in paragraph (b)(1) of this provision.) The offeror represents, as part of its offer, that--

(i) It [ ] is, [ ] is not a HUBZone small business concern listed, on the date of this representation, on the List of Qualified HUBZone Small Business Concerns maintained by the Small Business Administration, and no material change in ownership and control, principal office, or HUBZone employee percentage has occurred since it was certified by the Small Business Administration in accordance with 13 CFR part 126; and

(ii) It [ ] is, [ ] is not a joint venture that complies with the requirements of 13 CFR part 126, and the representation in paragraph (b)(6)(i) of this provision is accurate of the HUBZone small business concern or concerns that are participating in the joint venture. [The offeror shall enter the name or names of the HUBZone small business concern or concerns that are participating in the joint venture: .] Each HUBZone small business concern participating in the joint venture shall submit a separate signed copy of the HUBZone representation.

(c) Definitions. As used in this provision--

"Service-disabled veteran-owned small business concern"-

(1) Means a small business concern -

(i) Not less than 51 percent of which is owned by one or more service-disabled veterans or, in the case of any publicly owned business, not less than 51 percent of the stock of which is owned by one or more service-disabled veterans; and

(ii) The management and daily business operations of which are controlled by one or more service-disabled veterans or, in the case of a veteran with permanent and severe disability, the spouse or permanent caregiver of such veteran.

(2) Service-disabled veteran means a veteran, as defined in 38 U.S.C. 101(2), with a disability that is service-connected, as defined in 38 U.S.C. 101(16).

"Small business concern," means a concern, including its affiliates, that is independently owned and operated, not dominant in the field of operation in which it is bidding on Government contracts, and qualified as a small business under the criteria in 13 CFR Part 121 and the size standard in paragraph (a) of this provision.

"Veteran-owned small business concern" means a small business concern -

(1) Not less than 51 percent of which is owned by one or more veterans (as defined at 38 U.S.C. 101(2)) or, in the case of any publicly owned business, not less than 51 percent of the stock of which is owned by one or more veterans; and

(2) The management and daily business operations of which are controlled by one or more veterans.

"Women-owned small business concern," means a small business concern --

(1) That is at least 51 percent owned by one or more women; or, in the case of any publicly owned business, at least 51 percent of the stock of which is owned by one or more women; and

(2) Whose management and daily business operations are controlled by one or more women.

(d) Notice.

(1) If this solicitation is for supplies and has been set aside, in whole or in part, for small business concerns, then the clause in this solicitation providing notice of the set-aside contains restrictions on the source of the end items to be furnished.

(2) Under 15 U.S.C. 645(d), any person who misrepresents a firm's status as a small, HUBZone small, small disadvantaged, or women-owned small business concern in order to obtain a contract to be awarded under the preference programs established pursuant to section 8(a), 8(d), 9, or 15 of the Small Business Act or any other provision of Federal law that specifically references section 8(d) for a definition of program eligibility, shall --

(i) Be punished by imposition of fine, imprisonment, or both;

(ii) Be subject to administrative remedies, including suspension and debarment; and

(iii) Be ineligible for participation in programs conducted under the authority of the Act.
